
Murel Bulk Solutions

INNOVATIVE BULK SOLUTIONS

Industrial Equipment Solutions

Reduce operational costs
Increase productivity

Mechanical Equipment

Knifegate valves	Dosing valves	Positioners
Pinch valves	Dart valves	Actuators
Ball valves	Samplers	Flow sensors
Butterfly valves	Flow control valves	Level switches

About us

Murel Bulk Solutions works with various manufacturers to source the quality products at affordable prices which enables us to add value to companies all over Africa. We specialize in sourcing mining products including the mechanical valves, instrumentation products, various chemicals, oils for machinery, bearings and other products not mentioned on this list.

Our Expertise

Our team is comprised of engineers and technicians with decades of experience in the mining equipment manufacturing, selection, commissioning, operations and maintenance.

Our Value-add Partners

Our business strategy is to grow through strategic partnerships that enable us to add value to our clients. The aim of our solutions is to reduce operational costs while increasing productivity.

Various Instrumentation items

Flow Meters
 Level Instrumentation
 Temperature Instrumentation
 Pressure Instrumentation
 Instrumentation cabling

Various Accessories

Bearings
 Piping
 Chemicals
 Oil for machinery

How our solutions benefit you

- Low maintenance solutions
- Our solutions lasts longer before replacement
- Easy to self install, operate and self-maintain
- Our quality products withstands different kinds of temperatures, vibration and corrosion
- We adopted the “plug and forget” ideology saving you time and money
- Accuracy of our actuators increases plant efficiency
- Low air consumption saving you money

Why use Us

- We don't supply products we supply solutions
- We offer full training to our customers
- We offer after sales support service
- We supply, install and maintain
- Quick responds from our personnel to customers

What we offer

South African manufactured

- Semi-smart positioners
- Position indicators
- Proximity switch

Electric and Pneumatic actuators

- Single and double acting
- Quarter-turn
- Multi-turn
- Linear

Valves

- Stainless steel
- Inflatable seal
- PTFE seal
- Flanged and wafer butterfly valves

We also offer fitting and machining on your existing valves or actuators

Industrial Equipment Solutions

Reduce operational costs
Increase productivity
